

COMPREHENSIVE PLAN UPDATE AGREEMENT ADDENDUM

This addendum amends the written Agreement between The City of Gaylord and Hoisington Koegler Group Inc. for services pertaining to Comprehensive Plan Update entered into by the parties on February 17, 2016.

The above-described original agreement provided that the Comprehensive Plan Update would be completed by March 31, 2017. The agreement also provided that there would be a \$100 "penalty" for each day after March 31, 2017 that the Update was not completed.

It is the desire of the City to suspend completion of the Update until such time that it has more information regarding the status of a potential medical school opening within the City. Therefore, it is agreed that the completion date will be extended indefinitely. During this suspension period, the \$100 "penalty" provision of the agreement is not applicable.

In Testimony Whereof, the parties sign this Addendum, and bind themselves, their heirs and assigns.
