_____

_____

Zoning District Within Which the Property is Located: _____

Sketch the proposed property and all fixed structures **TO SCALE** using the grid paper on the back of this form, showing the information listed below. If the lot is 174'x134' or less one square should equal two feet. If a other scale is used, indicate that scale.

1. North directional arrow.
2. Location of proposed and existing structures on the lot, with the uses clearly labeled (house, garage, driveways, utility sheds, deck, carport, septic systems, wells, etc.).
3. Dimensions of lot.
4. Dimensions of front, side and rear yard setbacks of proposed and existing structures.
5. Dimensions of proposed and existing structures.
6. Names and locations of streets which adjoin the property, alleys must also be identified.
7. Other information as may be requested.
8. Attach a signed Certificate of Survey of the property from a Registered Surveyor to the Zoning Permit application.

Signature of Applicant: _____ Date: _____

NOTE: This Zoning Permit is approved contingent upon the structure meeting conditions recited on this application and all applicable conditions contained in the Zoning Ordinance for the City of Gaylord. The Property Owner shall be responsible for any misinformation they've provided and any deviation from the information related to this application under the penalty provisions of the Zoning Ordinance of the City of Gaylord and other applicable law.
